

ASTEROID VENTURES

INTRODUCTION

Asteroid Ventures is a Blockchain Advisory and Investment firm dedicated to helping mainly blockchain startups accelerate their growth and exposure in the industry. We focus on giving the most optimal strategic advice and guidance, to shortcut our clients and partners' path to success.

As young VCs, we have been going through threats and challenges. Hence, we have great empathy, patience, and motivation to accompany our portfolios to help them strongly grow and prevail.

With an excellent portfolio management team, Asteroid Ventures also provides services like business development, financial advice, marketing strategy... for projects in our portfolios.
